

# BlastKleen (N4880)

## Solvent Based Flush Action Aerosol Coil Cleaner

**DESCRIPTION:** NC BlastKleen is a non-flammable, quick drying solvent based aerosolized condenser coil cleaner formulated to instantly penetrate and remove grease, oil, dirt, and lint deposits from condenser coils to quickly improve air flow and increase condenser efficiency.

The high solvency quickly emulsifies greases and oils while the powerful flushing action removes the contamination from the surface.

### FEATURES & BENEFITS

- Non-Rinse Condenser Coil Cleaner
- Non-Flammable & Non-Conductive
- Quick Drying; Leaves No Residue
  - High Pressure Flush Spray
  - Pleasant Odor

**DIRECTIONS:** 1. Wipe lint and dirt from coil before spraying. 2. Place cloth or cardboard behind coil area to be sprayed to collect runoff. 3. SHAKE CAN WELL BEFORE USE. Then flush coil thoroughly with cleaner ensuring entire surface is thoroughly wet. 4. Remove cloth or cardboard after coil surfaces become dry.

**IMPORTANT:** This product may react with certain plastics including those used in newer model drain pans. Do not allow protect to remain in contact with these materials. Wipe immediately with an absorbent media such as paper or cloth towels. Use in well-ventilated areas.

### PHYSICAL PROPERTIES

APPEARANCE	Liquid
COLOR	Clear
ODOR	Citrus
pH	N/A
SPECIFIC GRAVITY	1.38-1.42
PACKAGING	6 x 20 oz. cans (net fill 18 oz.) per case
